

Program of Support/Facilitation schedule

UBCO ORS offers the following facilitation support services for the Michael Smith Health Research BC (MSHRBC) 2024 Scholar and HP-I Competitions.

Contact joyceline.amoako@ubc.ca for more information about any of the programming listed below.

2024 Scholar and Health Professional-Investigator Programs.

Applicants are advised to pay close attention to all the deadlines and submit the required documents at each stage on time.

Important Dates – 2024 Scholar and Health Professional-Investigator Programs	
Applications Open	Week of October 23, 2023
Letter of Intent (LOI) Deadline	November 21, 2023, 4:30 p.m. PT
UBCO RPIF Deadline	January 17, 2024, 12:00 p.m. PT
UBCO e-submission deadline	January 19, 2024, 12:00 pm PT
Anticipated Start of Funding	July 01, 2024
Award Term	5 years
Award Amount	\$90,000/annum for salary support

LOI Stage

Applicants are required to submit the LOI in the [ApplyNet portal](#). Applicants' submission of LOI is final and institutional approval (RPIF) is not required. The LOI consists of the LOI form in Health Research BC ApplyNet.

LOI Criteria & Editorial review

Criteria Review

We review your application and offer suggestions designed to enhance its response to evaluation criteria and meet best practices for a given program. Unless otherwise posted, please submit to us at least 10 days before the internal grant application deadline.

Editorial Review

A close read that focuses on flow, structure, syntax and grammar and helps polish a nearly complete application. Unless otherwise indicated for a specific program, please submit to the relevant Research Development Officer at least 10 days before internal deadline for editorial review.

- For guaranteed criteria and editorial review, send LOI form to joyceline.amoako@ubc.ca by **November 10, 2023**.
- Materials received after November 10, 2023 will be reviewed based on availability.

Full Application Stage

Applications to the MSHRBC Scholar and HP-I grant programs must be electronically submitted using the [ApplyNet portal](#). Please read carefully and follow the Scholar and HP-I application [guidelines](#) before starting your grant application.

Applicants must use the UBC Research Project Information Form ([RPIF](#)) available on the Office of Research Services (ORS) [website](#) to obtain required signatures.

Note that these instructions are for applications going through UBC Okanagan only.

Full Application Criteria & Editorial review

- For guaranteed criteria and editorial review, send full application (program of research and the modules for full application in Microsoft Word or similar) to joyceline.amoako@ubc.ca by **January 2, 2024**.
- Materials received after **January 2, 2024** will be reviewed based on availability or given quick scan through for formatting issues and completeness.

One on one consultations

- Ask specific questions about the individual modules.
- Offer strategic advice on addressing evaluation criteria.
- Discuss proposal ideas/suggestions.

Email joyceline.amoako@ubc.ca to set up an appointment in person or on zoom.
